Skyline Flutes, Arizona's only professional flute quartet, is an ensemble of four skilled musicians, Jerry Ervin, Fran Moskovitz, Jeneanne Rabon and Sandy Schwoebel, who perform on flute, piccolo, alto and bass flutes.

Their repertoire includes pieces written specifically for flute quartet as well as transcriptions of familiar light classics from composers such as Pachelbel, Bach, Vivaldi, Mozart and Ravel. Tunes by Gershwin, Berlin, Sousa, Ellington, Joplin and others are additional audience favorites.
