

WAMM - Willcox Art Music and Movies Summerfest Willcox Historic theater

June 15, 2019

WAMM Fest – Willcox Arts, Music, and Movies – is a FREE family summer event held at Railroad Park in June. WAMM provides a complete afternoon and evening’s enjoyment for Willcox area residents featuring music, art and other fun activities for kids, and finishing with a free outdoor movie in the park.

WAMM Fest offers attendees an opportunity to relax, reconnect with friends in the community, and enjoy an array of entertainment and entertaining activities. What could be more refreshing than listening to music, watching the kids try their hand at assorted games and art activities, and as the sun sets, finish up by sitting on the grass to watch a movie in the park!

Willcox Historic Theater partners with local businesses, organizations and individuals to offer this third old-fashioned summer WAMM Fest for 2019.
