Patrons agree by entering this theatre (by reading and understanding the sign at the Box Office) to OBEY OUR HOUSE RULES. **Violation of any rule WILL RESULT in expulsion without refund.**

SHOW TIME / BOX OFFICE TIMES

- Movies will play as scheduled rain or shine. We will run the show no matter what except in thunderstorms deemed too dangerous a hazard by the Willcox Police Dept or a power outage. Some people don't mind "watching" the movie with the wipers going. We ask that you hang in there until you see what the weather is going to do.
- We will make every effort to get everyone in before the start of the actual feature.
- Box office will open 1 1/2 hours on Saturday and Sunday night. Please make sure you check the postings and events for the exact times. We ask that everyone arrive at least this amount of time as it does take some time to get through the line on a busy night. Please do not expect to arrive just before show time on Sat & Sun and get right in as it will not happen, we are very busy most weekends.

- Have your currency ready, do not arrive at the box office and hold up the line by fishing your wallet out of your pocket or purse. If you are on your cell phone while trying to purchase a ticket, you will be shown the exit.

ADMISSIONS

- Management has the right to refuse service/admission to anyone at any time for any reason as they see fit.
- Adults ages (12+) are admitted for \$7.00 each on Saturday and Sunday nights on all nights.
- Children ages (5-11) are admitted for \$4.00 each. Children ages (4 & under) are admitted FREE. We do accept major credit cards (Visa, Master Card, Discover, etc.) and of course cash.
- Please hold onto all tickets you are given at the gate. You will need these in case you are approached by security. These tickets are your pass into the theater, do not lose them. If for any reason you leave the theater, you MUST pay to re-enter if you cannot provide the attendant at the gate with your tickets.
- If you are caught sneaking in, this is considered theft. You have several options. 1) Pay for a ticket 2) Leave. 3) Be arrested for theft by Willcox Police Department, and be charged for Criminal Trespass on the property. This action is theft from not only the Theater, but also the distributors, the studios, the actors/actress and crews of the films. It costs Millions to make the movies and the studios expect us as the exhibitor to collect as much as possible in revenue.
- **We Card!** If an “R” rated movie is anywhere in our line-up no one under 17 is admitted without an accompanying parent or legal adult guardian.

REFUNDS / RAIN CHECKS

- NO REFUNDS are given once you are 30 mins or more into the show.
- Refunds are given at the manager’s discretion.
- If a severe thunder storm or heavy rain occurs, making it impossible for you to stay and enjoy the movie, we will give you a rain check if you haven’t been able to see at least 30 mins of the movie. Be sure to hold onto your tickets. We can’t offer you a rain check if you don’t have your tickets.
- If a power outage or such act of nature, or technical difficulty beyond our control occurs, we will offer passes, and or rain checks at which it is your choice which you prefer to accept. The passes will be good until the date the manager chooses usually not less than 30 days.

PARKING

- **We do not allow anyone to sit on top of their vehicle for any reason. This is a big safety concern. NO EXCEPTIONS!**
- PLEASE pay particular attention to the information you receive at the gate that pertains to our PARKING POLICY.
- When you park your vehicle please make sure that you are parked next to the left white line and that you are not hanging out into the aisle way. This way you will avoid getting hit by cars coming in and out.
- Raised hatchbacks or lift backs must not be raised any higher than the roof of the vehicle so as not to block the viewing angle of the vehicle behind you.

- PLEASE NOTE: Our parking policy is in effect on Saturday and Sunday night. It is in place to ensure that everyone will be able to see the show. We CANNOT make exceptions to our parking policy, even if you are with someone in a different sized vehicle than your own. Please come early, if you arrive late please do not expect to get a good spot. We thank you in advance.
- Each vehicle is entitled to one parking space. If you sit outside your vehicle, please do not occupy another parking space, this includes your chairs and blankets.

- Smoking is permitted, but only if your smoke is not disturbing others. If cars are parked next to you, please refrain from smoking. If you must smoke please walk over to an area where you there is nobody within 10 feet of you, or put your windows up.

- You would think that car horns and a drive-in theater go together, but we are actually more into and on top of the movies than you are, making sure they are running correctly and on time. The horns are just a pain and do nothing but irritate the audience and staff while trying to work on complex equipment when there is a problem. Please be patient and don't honk.
- We state that once the movie starts any parties or gatherings you may be having, ends, as not to distract our other guests or cause disturbances.
