# RANCHING HERITAGE FESTIVAL

JUNE 9TH - 10TH AT DOWNTOWN WILLCOX | FREE ADMISSION

Ranching has and will be a huge part of what makes Willcox Willcox. Starting with the founding of the Sierra Bonita Ranch in 1872, the cattle industry in Willcox grew to become the largest range cattle rail shipping point in the nation; earning itself the nickname, the cattle capital of the world! Celebrate our heritage with us with hands-on activities related to ranching and get up close to livestock at the Ranching Heritage Festival!

Join us for a weekend of ranching heritage fun that the whole family can enjoy!

## FRIDAY
