

# ***THE HIGH DESERT PALETTE CONTRIBUTIONS***

## ***OUR RUNNING SHORT STORY***

When Harriet embarked on her journey over the mass expanses of the desert with nothing but a few disheveled notes and part of a map left to her by her father she had no idea what to expect to find at the isolated and abandoned tower so long shrouded in mystery. - Harriet's story began with our first issue of our magazine and has been carried on by subsequent authors. Each short instillation of her adventures takes her a little further in her quest.
